

Rural Bank: backing rural Australia – all the way.

Rural Bank was founded to support rural Australians.

We're here for our farmers, their families and everyone who makes our rural communities grow and thrive.

Our sole focus is to provide products and expertise to help you take control of your money, stay on top of challenges and grab opportunities.

We're proud to be 100% Australian owned and operated. The money you deposit with us we re-invest back into rural Australia.

Rural people and communities are the backbone of this country. We're proud to be your bank.

Farmer focused.
Future driven.

FARM MANAGEMENT DEPOSIT

Set money aside for when you need it most.

Proudly part of

**Bendigo and
Adelaide Bank**

Primary producers' income streams aren't easy to control – seasons and market prices are always changing.

With our Fixed and Variable Rate Farm Management Deposits, you can set aside pre-tax income from your profitable years and earn interest on it – so your money's available when you most need it.

To be eligible for taxation benefits, you need to hold funds in your farm management deposit (FMD) for at least 12 months. If you're switching to us from another financial provider, your funds must be transferred electronically.

You can have more than one farm management deposit, up to a combined value of \$800,000 per farmer¹. You can choose to earn a competitive variable or fixed rate of interest, or a combination of both.

Alternatively, you may be eligible for an FMD Offset Account which can assist to reduce your primary production business costs on eligible Rural Bank Term Loans. For more information contact your local Rural Bank farm finance specialist.

Who's eligible? Individual primary producers with a taxable non-farm income of \$100,000 or less over a financial year. Ask your tax adviser if you qualify.

What's the term? For fixed rate deposits, you can choose from 3, 6, 12, and 24 month terms. For variable rate deposits and FMD Offset Accounts your funds are available at call however your funds must be held for at least 12 months to be eligible for tax benefits.

What balance is needed? Fixed rate deposits require a minimum of \$5,000, or a minimum balance of \$1,000 applies to variable rate deposits and FMD Offset Accounts. The total value of all FMDs held per farmer cannot exceed \$800,000.

What about interest? For fixed rate deposits, interest is paid on maturity for 3 and 6 month terms. For 12 and 24 month terms, interest can be paid monthly, quarterly, or annually. Interest on variable rate deposits is paid annually on 1st July. Interest for all deposits is calculated daily on the closing balance. Interest must be credited to another account held in the account holder's name.

Interest is not payable on FMD Offset Accounts. Instead the FMD Offset allows clients to reduce the interest payable on their linked eligible Rural Bank Term Loan.

What about fees? There are no account or transaction fees on fixed rate or variable rate FMDs. A FMD linkage fee applies to FMD Offset Accounts.
